

Confined Space Entry Resource Pack – Step Change / MSF

Dear Colleagues,

The Marine Safety Forum (<https://www.marinesafetyforum.org/>) in collaboration with Step Change in Safety (<https://www.stepchangeinsafety.net/>) has published a Confined Space Entry Resource Pack, including a short video with speaker notes, a safety moment, and a brief guide to safe confined space entry operations.

All of this material, which may be useful to members, can be downloaded for free from <https://www.marinesafetyforum.org/resources/>

For more information, please contact nick.hough@imca-int.com.
