

New Chair of the Environmental Sustainability Committee

Thanks are extended to all three candidates who put their names forward to serve as Chair of IMCA's Environmental Sustainability Committee (the ESC). The ESC is a core committee of IMCA and its member appointments are nominated by the Board. At its meeting on 9 December, ESC members voted to select a new Chair.

I confirm that, as a result of the selection, the new Chair of IMCA's Environmental Sustainability Committee is Ezra Schraven, Global Sustainability Consultant at Fugro. Interim Chair, Stig Clementsen, Chief Sustainability Officer and Vice President of QHSE will remain as Vice-Chair.
